Overall Morningstar Rating™ Morningstar Sustainability Rating™

Investment Objective

The Fund aims at long-term capital growth by investing in European equity markets with a focus on growth stocks of large market capitalisation companies in accordance with the Sustainability Key Performance Indicator Strategy (Relative). In this context, the aim is to outperform the Sub-Fund's Sustainability KPI compared to Sub-Fund's benchmark to achieve the investment objective.

- 5) With effect from 10 October 2023.
- 6) The Fund size quoted includes all share classes of the Fund.
- 7) EU Sustainable Finance Disclosure Regulation. Information is accurate at time of publishing.
- 8) The All-in-Fee includes the expenses previously called management and administration fees.
- 9) Total Expense Ratio (TER): Total cost (except transaction costs) charged to the Fund during the last financial year expressed as a ratio of the Fund's average NAV. For share classes that have been inception for less than one year as at close of the last financial year (please refer to the Inception Date in the Fund Details table), the TER will be annualised. For share classes inception after the close of the last financial year, the TER will be reflected as N/A.

The information presented here is intended for general circulation and does not constitute a recommendation to anyone; it also has not taken into account the specific investment objectives, financial situation or particular needs of any particular person. Information herein is based on sources we believe to be accurate and reliable as at the date it was made. We reserve the right to revise any information herein at any time without notice. No offer or solicitation to buy or sell securities and no investment advice or recommendation is made herein. In making investment decisions, investors should not rely solely on this publication but should seek independent professional advice. However, if you choose not to seek professional advice, you should consider the suitability of the product for yourself. Past performance of the fund manager(s) and the fund is not indicative of future performance. Prices of units in the Fund and the income from them, if any, may fall as well as rise and cannot be guaranteed. Distribution payments of the Fund, where applicable, may at the sole discretion of the Manager, be made out of either income and/or net capital gains or capital of the Fund. As a result of the payment, the Fund's net asset value is expected to be immediately reduced. The dividend yields and payouts are not guaranteed and might change depending on the market conditions or at the Manager's discretion; past payout yields and payments do not represent future payout yields and payments. Investment involves risks including the possible loss of principal amount invested and risks associated with investment in emerging and less developed markets. The Fund may invest in financial derivative instruments and/or structured products and be subject to various risks (including counterparty, liquidity, credit and market risks etc.). Past performance, or any prediction, projection or forecast, is not indicative of future performance. Investors should read the Prospectus obtainable from Allianz Global Investors Singapore Limited or any of its appointed distributors for further details including the risk factors, before investing.
