## Notes:

#The CPF interest rate for the Ordinary Account (OA) is based on the 3-month average of major local banks' interest rates. Under the CPF Act, the CPF Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The interest rate for the Special Account (SA) and Medisave Accounts (MA) is pegged to the 12-month average yield of 10-year Singapore Government Securities (10YSGS) plus 1%, or the current floor interest rate of 4% per annum, whichever is higher. The interest rate to be credited to the Retirement Account (RA) is based on the 12-month average yield of 10-year Singapore Government Securities (10YSGS) plus 1% or the current floor interest rate of 4% per annum, whichever is higher. As announced in 2023, the Government has decided to further extend the 4% floor rate for interest earned on SA, MA and RA monies for another year until 31 December 2024. In addition, the CPF Board will pay extra interest rate on the first S\$60,000 of a CPF member's combined balances, capped at S\$20,000 in the OA.

Investors should note that the applicable CPF policies and interest rates for each of the CPF accounts may be varied by the CPF Board from time to time. Please visit the CPF Board Website for further information on CPF policies and interest rates.
