Source: All fund data quoted are Allianz Global Investors/IDS GmbH/Morningstar, as at 31/03/2024, unless stated otherwise. Performance returns for periods over one year are annualised. Fund performance is calculated in the respective fund currency with net income and dividends reinvested. Investment returns are denominated in the respective base currency of the fund. SGD based investors are exposed to non-SGD foreign exchange fluctuations.

- 1) "Offer-Bid" performance data takes into account up to 5.00% of the initial fee of the investment.
- 2) The information is provided for illustrative purposes only to demonstrate the Fund's investment strategy, it should not be considered a recommendation to purchase or sell any particular security or strategy or an investment advice. There is no assurance that any securities discussed herein will remain in the Fund at the time you receive this document. Past performance is not indicative of future results. While best efforts are used in compiling the information, Allianz Global Investors and its affiliated entities expressly assumes no warranty of any kind, actual or implied, for the accuracy, completeness and timeliness of the information.
- 3) Annualised Dividend Yield = $[(1 + \text{Dividend Per Share} / \text{Ex-Dividend Date NAV})^{12} - 1] \times 100$. The annualised dividend yield is calculated based on the latest dividend distribution with dividend reinvested, and may be higher or lower than the actual annual dividend yield. Positive distribution yield does not imply positive return. Dividend is not guaranteed. Historical dividend yield is not indicative of future dividend payouts.
- 4) The Fund size quoted includes all share classes of the Fund.
- 5) EU Sustainable Finance Disclosure Regulation. Information is accurate at time of publishing.
- 6) The All-in-Fee includes the expenses previously called management and administration fees.
- 7) Total Expense Ratio (TER): Total cost (except transaction costs) charged to the Fund during the last financial year expressed as a ratio of the Fund's average NAV. For share classes that have been incepted for less than one year as at close of the last financial year (please refer to the Inception Date in the Fund Details table), the TER will be annualised. For share classes incepted after the close of the last financial year, the TER will be reflected as N/A.

In making investment decisions, investors should not rely solely on this publication but should seek independent professional advice. However, if you choose not to seek professional advice, you should consider the suitability of the product for yourself. Past performance of the fund manager(s) and the fund is not indicative of future performance. Prices of units in the Fund and the income from them, if any, may fall as well as rise and cannot be guaranteed. Distribution payments of the Fund, where applicable, may at the sole discretion of the Manager, be made out of either income and/or net capital gains or capital of the Fund. As a result of the payment, the Fund's net asset value is expected to be immediately reduced. The dividend yields and payouts are not guaranteed and might change depending on the market conditions or at the Manager's discretion; past payout yields and payments do not represent future payout yields and payments. Investment involves risks including the possible loss of principal amount invested and risks associated with investment in emerging and less developed markets. The Fund may invest in financial derivative instruments and/or structured products and be subject to various risks (including counterparty, liquidity, credit and market risks etc.).
