- 4) Annualised Dividend Yield = $[(1 + \text{Dividend Per Share} / \text{Ex-Dividend Date NAV})^{12} - 1] \times 100$. The annualised dividend yield is calculated based on the latest dividend distribution with dividend reinvested, and may be higher or lower than the actual annual dividend yield. Positive distribution yield does not imply positive return. Dividend is not guaranteed. Historical dividend yield is not indicative of future dividend payouts.
- 5) Effective from 25 July 2022, this Fund Manager has transferred to Voya Investment Management Co. LLC ("Voya IM") as part of the strategic partnership agreement between Allianz Global Investors and Voya IM.
- 6) The Fund size quoted includes all share classes of the Fund.
- 7) EU Sustainable Finance Disclosure Regulation. Information is accurate at time of publishing.
- 8) The All-in-Fee includes the expenses previously called management and administration fees.
- 9) Total Expense Ratio (TER): Total cost (except transaction costs) charged to the Fund during the last financial year expressed as a ratio of the Fund's average NAV. For share classes that have been incepted for less than one year as at close of the last financial year (please refer to the Inception Date in the Fund Details table), the TER will be annualised. For share classes incepted after the close of the last financial year, the TER will be reflected as N/A.

Allianz Global Investors and Voya Investment Management (Voya IM) have entered into a long-term strategic partnership, and as such, as of 25 July 2022, the investment team transferred to Voya IM and Voya IM became the delegated manager for this fund. AllianzGI continues to provide information and services to Voya IM for this investment through a transitional service agreement.

In making investment decisions, investors should not rely solely on this publication but should seek independent professional advice. However, if you choose not to seek professional advice, you should consider the suitability of the product for yourself. Past performance of the fund manager(s) and the fund is not indicative of future performance. Prices of units in the Fund and the income from them, if any, may fall as well as rise and cannot be guaranteed. Distribution payments of the Fund, where applicable, may at the sole discretion of the Manager, be made out of either income and/or net capital gains or capital of the Fund. As a result of the payment, the Fund's net asset value is expected to be immediately reduced. The dividend yields and payouts are not guaranteed and might change depending on the market conditions or at the Manager's discretion; past payout yields and payments do not represent future payout yields and payments. Investment involves risks including the possible loss of principal amount invested and risks associated with investment in emerging and less developed markets. The Fund may invest in financial derivative instruments and/or structured products and be subject to various risks (including counterparty, liquidity, credit and market risks etc.). Investing in fixed income instruments (if applicable) may expose investors to various risks, including but not limited to creditworthiness, interest rate, liquidity and restricted flexibility risks. Changes to the economic environment and market conditions may affect these risks, resulting in an adverse effect to the value of the investment. During periods of rising nominal interest rates, the values of fixed income instruments (including short positions with respect to fixed income instruments) are generally expected to decline. Conversely, during periods of declining interest rates, the values are generally expected to rise. Liquidity risk may possibly delay or prevent account withdrawals or redemptions. Past performance, or any prediction, projection or forecast, is not indicative of future performance. Investors should read the Prospectus obtainable from Allianz Global Investors Singapore Limited or any of its appointed distributors for further details including the risk factors, before investing.
