(p.a.): per annum. Source: Eastspring Investments (Singapore) Limited. Returns are based in the relevant class currency and computed on bid-bid basis with net income reinvested, if any. Offer-bid is inclusive of sales charge which is subject to changes. Since inception returns for periods less than a year are not annualised. The benchmark for the hedged classes, if any, is also calculated on a hedged basis. From inception to 30-Nov-2008, the benchmark was the FTSE World Information Technology Index; from 1-Dec-2008 to 30-Apr-2019, the benchmark was MSCI All Countries World Information Technology Index. Calendar year returns are based on the relevant class performance for the year, and if the relevant class was inceptioned during a particular year, the returns shown relate to the performance of that class since its inception to the end of that calendar year. Wef July 2018, the monthly fund and benchmark returns calculated are aligned to the last NAV date of the fund for the month. Past performance information presented is not indicative of future performance.
