h	he Underlying Fund promotes environmental or social characteristics but does not ave a sustainable investment objective. The Underlying Fund contains high- uality companies that have been identified through the bottom-up equity research	
b	rocess which takes into consideration the sustainability of the business in its roadest sense and the company's ESG performance. A minimum of 90% of the	
	Inderlying Fund's assets are aligned with Environmental/Social characteristics. Investment in all equity and equity-related securities will follow abrdn's "European	
	ustainable Equity Investment Approach". Through the application of this	
Ir	pproach the Underlying Fund has an expected minimum of 20% in Sustainable investments. Furthermore, the Underlying Fund targets an ESG rating that is equal	
	o or better, and a meaningfully lower carbon intensity, than the benchmark. This	
	pproach utilises abrdn's equity investment process, which enables portfolio	
	nanagers to qualitatively identify and focus investments in sustainable leaders and nprovers.	
	ditionally, abrdn applies a set of company exclusions which are related to the

 company of the Underlying Fund up to a maximum of 0.05% of the Net Asset Value of the Underlying Fund (i.e. the "Management Company Charge"). Any fees owed to the Investment Managers of the Underlying Fund are rebated in the form of additional shares in the Underlying Fund equivalent to such Investment Managers' fees such that there is no double charging of management fees. Other fees and charges, including inter alia the Sub-Registrar's fees, may each amount to or exceed 0.10% per annum of the Net Asset Value of the Fund, depending on the proportion that each fee or charge bears to the Net Asset Value of the Fund. You should check with the agent or distributor through whom you subscribe for units of the Fund whether they impose other fees and charges not included in the Prospectus. WAUATIONS AND EXTINCE FROM THIS INVESTMEN HOW OFTEN ARE VALUATIONS AVAILABLE? Prices are updated daily on our website, www.abrdn.com/sg/investor, or on selected distributors' websites. HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE COSTS IN DOING SO? You may sell ("realise") your units wholly or in part by submitting a realisation form to the relevant financial adviser/distributor or to the Manager. Partial realisations are subject to minimum holding requirements. If you are a first-time individual investor in the Fund you may also cancel your investment back in full; otherwise you will receive that sum less the difference your investment back in full; otherwise you will receive that sum less the difference in the value of your investment depends on the net asset value at the close of the rund which is calculated each Dealing Day. Orders accepted by 4:30pm, Singapore time on a Dealing Day will be based on the net asset value of the Fund at the close of that Dealing Day. If you miss the cut-off time, your order will be the exit price multiplied by the number of units sold,	Refer to "Obtaining Prices of Units", "Cancellation of subscriptions" and "Realisation of Units" in Sections 15, 17 and 19 of the Prospectus for further information on valuation and exiting from the product.
