<p>Directors, elect to issue dividends to Shareholders of the Fund holding class A Shares as well as for Shareholders of the Fund holding class D Shares.</p> <ul style="list-style-type: none"> • Distribution Share Classes make periodic distributions (yearly or more frequently as deemed appropriate by the Board of Directors), as decided by the Shareholders upon proposal of the Board of Directors, and are identified by a "D" following the class name (e.g. RD, ID). In addition, the Board of Directors may declare interim dividends. • No Performance Fee Share Classes are identified by a "NPF" in the Share Class name. These Shares do not pay any Performance Fee. 	
Investment Strategy	
<ul style="list-style-type: none"> • The Fund follows a multi thematic sustainable investment strategy focused on sustainable development. The Fund is actively managed, combining strong views on sustainable themes and stock picking. The investment process relies on stock picking based on a deep fundamental analysis of companies combining both financial and Environmental, Social and Governance ("ESG") considerations. This analysis shall ensure that the company meets the following criteria: <ul style="list-style-type: none"> - the ability to provide positive innovative solutions to tackle issues related to identified sustainable themes; - the sustainable quality of the business model; competitive positioning, management team and capacity to finance growth; - the overall quality of their ESG practices. • The attainment of the sustainable investment objective is measured by both qualitative and quantitative indicators such as the percentage of the Fund's assets aligned with sustainable investment objectives, the percentage of the Fund's assets contribution per SDGs and/or per environmental and social impact pillars and the estimated impact of the Fund on global average increase of temperature. The sustainable investment strategy combines the thematic approach, the Best-in-universe approach and the exclusion approach. • The Fund will seek to invest in companies benefiting from long term growth outlooks and offering attractive valuation over a medium-term period. • The Fund invests at least 80% of its net assets in world equity securities of companies which are developing products or services to respond to key sustainable issues on 8 sustainable themes: energy, mobility, building and cities, management of natural resources, consumption, healthcare, IT and finance. • The portfolio construction is driven by the Delegated Investment Manager's conviction on the best investment opportunities without constraint regarding market capitalisations, sectors and weights compared to the MSCI World Net Dividends Reinvested Index (the "Reference Index"). • The Fund may invest up to 25% of its net assets into emerging markets. • The Fund may invest up to 10% of its net assets in money market and cash instruments. • The Fund may invest in India (directly), in China (directly through H-Shares issued in Hong Kong), in Russia (directly through the MICEX RTS). • The Fund may invest up to 10% of its assets into undertakings for collective investment. • The Fund may use derivatives for hedging and investment purposes as described in section "Use of Derivatives, Special Investment and Hedging Techniques" in the Luxembourg Prospectus. • The Fund will not enter into securities lending and borrowing transactions as well as repurchase agreements and reverse repurchase agreements. 	<p>Refer to INVESTMENT OBJECTIVE AND POLICIES OF THE SUB-FUND paragraph in the Prospectus for further information on features of the product.</p>
