### KEY PRODUCT FEATURES

#### WHAT ARE YOU INVESTING IN?

- You are investing in a sub-fund of an open-ended investment scheme established in Luxembourg as a société d'investissement à capital variable.
- The fund aims to achieve income with potential for capital growth over time.
- The fund is classified as an ESG Fund (as defined in the MAS Circular CFC 02/2022: Disclosure and Reporting Guidelines for Retail ESG Funds).
- For distributing share classes, dividends may be declared (yearly, quarterly or monthly) and made out of net income, gross income and/or capital.
- **Distributions are not guaranteed and will normally reduce the NAV. Distributions out of capital may amount to a partial return of your original investment and may reduce future returns.**

Refer to “Investment objective and other considerations” and “Distribution policy” in the Prospectus for further information on the features and distribution policy of the fund.

**Product-Specific Risks**
**You are exposed to counterparty and collateral risk.**

- A counterparty could be unwilling or unable to meet its obligations to the fund. The value of collateral might not cover the full value of a transaction, or any fees or returns owed to the fund.

**You are exposed to currency risk.**

- Any changes in currency exchange rates could significantly reduce investment gains or income, or increase investment losses.

**You are exposed to derivatives risk.**

- The value of derivatives can be volatile. Small movements in an underlying asset's value can create large changes in the derivative's value and expose the fund to losses that could be greater than the cost of the derivative itself.

**You are exposed to hedging risk.**

- Hedging may not work as intended and involves costs, which reduce investment performance.

**You are exposed to investment fund risk.**

- Investing in a fund involves certain risks an investor would not face if investing in markets directly, such as large outflows, valuation error and investment limitations.

**You are exposed to operational risk.**

- The fund could suffer losses due to errors, service disruptions or other failures, fraud, corruption, cyber crime, instability, terrorism or other irregular events.

**You are exposed to sustainable investing risk.**

- The fund may underperform the market or other funds that do not apply sustainability criteria.

**You are exposed to volatility risk.**

- The fund's NAV has potential for high volatility due to its investment policy or portfolio management techniques.

**FEES & CHARGES**
**WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT?**
Payable directly by you

- You will need to pay the following fees and charges. Subscriptions for shares through any financial adviser / intermediary may incur additional fees and charges.

## VALUATIONS AND EXITING FROM THIS INVESTMENT

### HOW OFTEN ARE VALUATIONS AVAILABLE?

Valuations are available on each Valuation Date. The last available NAV for each Business Day is published on Bloomberg, [www.fundinfo.com](http://www.fundinfo.com) and may also be posted on [www.fidelity.com.sg](http://www.fidelity.com.sg).

### HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the fund at any time by writing to the Singapore Representative or the Manager, through the financial adviser / intermediary from whom you purchased shares in the fund. Currently, no exit fee will be applied.
- The fund does not offer a cancellation period. You may check with your financial adviser / intermediary on whether it offers a cancellation period and if it does so without incurring the entry fee.
- You will generally receive the redemption proceeds within 5 Business Days (or such later date from your financial adviser / intermediary) from the time the Singapore Representative or Manager receives your request to exit from the fund.
- Your redemption price is determined as follows:
  - If you submit the redemption order before 5pm on a Business Day, you will be paid a price based on the NAV at the close of that Business Day.
  - If you submit the redemption order after 5pm, you will be paid a price based on the NAV at the close of the next Business Day.
- The redemption proceeds that you will receive will be the redemption price multiplied by the number of shares sold, less any charges. An example (assuming no exit fee) is as follows:

Redemption request	×	Redemption price	=	Gross redemption proceeds
1,000 shares		USD0.95		USD950.00
Gross redemption proceeds	-	Exit fee	=	Net redemption proceeds
USD950.00		USD0.00		USD950.00

Refer to “Obtaining price information” and “Redemption or selling of shares” in the Prospectus for further information on valuation and exiting from the fund.

## APPENDIX: GLOSSARY OF TERMS

“**Business Day**”: A day on which the banks in Singapore and Luxembourg are normally open for business.

“**Launch Date**”: This date refers to the date of the share class that was launched the earliest.

“**Manager**”: Referred to as the Management Company in the Prospectus.

“**NAV**”: Net asset value per share; the value of one share of a fund.

“**PHS**”: Product Highlights Sheet.

“**Prospectus**”: Singapore Prospectus of Fidelity Funds.

“**Valuation Date**”: Each weekday (any Monday to Friday inclusive) excluding 25 December (‘Christmas Day’) and 1 January (‘New Year’s Day’) as well as any other day which the Directors have determined, in the best interests of the shareholders, as non-Valuation Dates for specific funds. Non-Valuation Dates may for example be any day observed as a holiday on a stock exchange which is the principal market for a significant portion of the investments attributable to a fund, or any day which is a holiday elsewhere so as to impede the calculation of fair market value of the investments attributable to a given fund, which may also include any day immediately preceding such relevant market closure where the dealing cut-off time of the relevant fund occurs at a time when the relevant underlying main market is already closed to trading and the following days are a period of consecutive market closure days.
