It is produced for information purposes only and does not constitute: (1) an offer or invitation to buy nor a solicitation to sell, nor shall it form the basis of or be relied upon in connection with any contract or commitment whatsoever or (2) investment advice. It does not have any regard to the specific investment objectives, financial situation or particular needs of any person. Investors should consult their own professional advisors in respect of investment, legal, accounting, domicile and tax advice before investing, or in the absence thereof, they should consider whether the Fund is a suitable investment for them. Investors considering subscribing for the units in the Fund ("Units") should read carefully the most recent offering documents or other information material for further information (including the risk factors) and consult the Fund's most recent financial reports before investing, as available from the Company or its authorised distributors. Investments involve risks. Given the economic and market risks, there can be no assurance that the Fund will achieve its investment objectives. Returns may be affected by investment strategies or objectives, markets and economic conditions. Investments in the Units are not deposits or other obligations of, or guaranteed, or insured by the Company or its affiliates or its authorised distributors. Past performance of the Fund or the managers, and any economic and market trends or forecasts, are not necessarily indicative of future performance of the Fund or the managers. The value of the Units, and any income accruing to the Units, may fall as well as rise and investors may not get back the full amount invested. Funds which are invested in emerging markets, small companies and derivatives instruments may also involve a higher degree of risk and are usually more sensitive to price movements.
