KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in an open-ended collective investment scheme constituted in Luxembourg as a UCITS that aims to provide you with capital appreciation by investing in equity securities of companies located in countries defined as frontier markets.
- Under normal circumstances, you will receive regular distributions out of income depending on the distribution share classes you are investing in. Any distributions out of the capital of the Fund will reduce the NAV of the Fund.

Refer to “Investment Objective, Focus and Approach of the Funds” section of the Singapore Prospectus, and the “Dividend Policy” section of the Luxembourg Prospectus.

Investment Strategy

- The Fund will invest principally in equity securities of companies of any size registered under the laws of, or doing significant business in, frontier markets. It may also invest, amongst others, in (i) equity, equity-related and debt securities of issuers worldwide, or (ii) participatory notes.
- The Fund can use derivatives for hedging and efficient portfolio management.
- The frontier market countries are smaller, less developed and less accessible emerging market countries, but with “investable” equity markets and include those defined as frontier markets by International Finance Corporation as well

Refer to “Investment Objective, Focus and Approach of the Funds” section of the Singapore Prospectus.

<p>as included in frontier markets related indices, for example Bahrain, Bulgaria, Egypt, Kazakhstan, Nigeria, Pakistan, Qatar, Vietnam etc.</p> <ul style="list-style-type: none"> • The Fund may also invest in participatory notes and other types of transferable securities, including equity, equity-related and fixed income securities of issuers worldwide. • The expected level of exposure that could be subject to securities lending transactions amounts to 5% of the Fund's net assets, subject to a maximum of 50%. 	
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The investment company is Franklin Templeton Investment Funds. • The investment manager is Franklin Templeton Investments (Asia) Limited. • The sub-investment manager is Franklin Templeton Investments (ME) Limited. • The management company is Franklin Templeton International Services S.à r.l. • The depositary is J.P. Morgan SE – Luxembourg Branch. • The Singapore representative is Templeton Asset Management Ltd. 	<p>Refer to “Management and Administration” section of the Singapore Prospectus for more information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT? The value of the product and its dividends or coupons may rise or fall. These risk factors may cause you to lose some or all of your investment.</p>	<p>Refer to the “Risk Factors” section of the Singapore Prospectus and “Risk Considerations” section of the Luxembourg Prospectus.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> • Your investments are exposed to equity markets risk – Your investments may be subject to significant price movements due to the impact of economic, political, market, and issuer-specific factors. • Your investments are exposed to currency risks – The Fund is exposed to the risk of loss arising from exchange-rate fluctuations or due to exchange control regulations. 	
Liquidity Risks	
<ul style="list-style-type: none"> • Your investments are exposed to liquidity risks of the underlying investments – Under exceptional market conditions the manager may be forced to sell assets of the fund at a discount in order to meet continued redemption requests. • The Fund is not listed, and you can realize your Shares only on Dealing Days – There is no secondary market for the Fund. All redemption requests should be submitted in the manner set out in the Prospectus. • Your realization request may be deferred or suspended – Redemptions of Shares may be deferred when more than 10% of the value of the Fund's Shares are redeemed or exchanged on any one Dealing Day. Your right to realize Shares may also be temporarily suspended under certain circumstances as described in the Prospectus. 	<p>Refer to the sections “Sale of Shares” and “Suspension of Valuation, Issue, Sale and Switching of Shares” of the Singapore Prospectus.</p>
Product-Specific Risks	
<ul style="list-style-type: none"> • Your investments are exposed to frontier markets/emerging markets risks – The Fund may invest in emerging markets which involve a greater risk of loss and are more volatile than investing in more developed countries due to, inter alia, greater political, tax, economic, foreign exchange, liquidity, volatility and regulatory risks. Frontier markets may also experience greater political and economic instability and may have less transparency, less ethical practices, and weaker corporate governance compared to other emerging markets and the Fund/investors may be adversely impacted. Such markets are also more likely to have investment and repatriation restrictions, 	

exchange controls and less developed custodial and settlement systems than other emerging markets.
