• A "Valuation Day" is a day on which NYSE is open or banks in Luxembourg are	sections of the Singapo

be obtained from the Singapore Representative and will be published on the	
Singapore Representative's website (www.franklintempleton.com.sg) one	
Singapore Business Day after the relevant Dealing Day.	
HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE	
RISKS AND COSTS IN DOING SO?	
• To exit the Fund, you should complete the relevant sale form, together with such	
other documents as may be required and submit to the Singapore representative or	
through the financial advisor or distributor from whom you purchased the Fund,	
the Internet or any other sales channels, if applicable. Please ensure that all	
relevant documents have been submitted.	
• Some appointed distributors may offer a cancellation policy whereby you will not	
incur the Entry Charge if you cancel your purchase of Shares during the relevant	
period (the Fund does not offer such cancellation policy). You will however take	
the risk of a decline in the Fund's NAV since you purchased it and certain	
administrative fees may apply.	
• Sale proceeds will be paid within five Singapore Business Days following the	
Dealing Day of the receipt and acceptance of the sale request. Sale proceeds from	
investments using SRS monies will be returned to your SRS accounts.	
• Your exit price is determined as follows:	
- If the Singapore representative receives and accepts the sale request on or before	
4 p.m. on a Dealing Day, you will be paid a price based on the NAV of the	
Shares applicable on that day.	
- If the Singapore representative receives and accepts the sale request after 4 p.m.	
on a Dealing Day, you will be paid a price based on the NAV of the Shares at the	
close of the next Dealing Day.	
• The sales proceeds that you will receive will be the exit price multiplied by the	
number of Shares sold, less any CDSC. The following illustrates the sales proceeds	
on a sale of 1,000 Class A Shares at an exit price of S\$12.50 and assuming no	
CDSC:	
Exit price x Number of Shares sold = Gross sales proceeds	
S\$12.50 x 1,000 = S\$12,500	
Gross sales proceeds – CDSC = Net sales proceeds	
S\$12,500-S\$0.00 = S\$12,500
