

# LionGlobal China Growth Fund

The Fund aims for medium to long-term capital growth of assets of the Fund by investing primarily in equity and equity-linked securities of companies with assets in or earnings derived from the People's Republic of China, Hong Kong S.A.R. and Taiwan. The assets of the Fund may also be held in cash or invested in non-China related investments in emerging and developed markets, primarily in equities investments. The Fund will not target any specific industry or sector.

This advertisement or publication has not been reviewed by the Monetary Authority of Singapore. It is for information only, and is not a recommendation, offer or solicitation for the purchase or sale of any capital markets products or investments and does not have regard to your specific investment objectives, financial situation, tax position or needs.

You should read the prospectus and Product Highlights Sheet of the relevant fund which are available and may be obtained from Lion Global Investors Limited ("LGI") or any of its distributors, for further details including the risk factors and consider if a fund is suitable for you and seek such advice from a financial adviser if necessary, before deciding whether to invest in the fund. Applications for units in our funds must be made on forms accompanying the prospectus.

Investments in our funds are not obligations of, deposits in, guaranteed or insured by LGI or any of its affiliates and are subject to investment risks including the possible loss of the principal amount invested. The performance of a fund is not guaranteed and the value of units in a fund and the income accruing to the units, if any, may rise or fall. Past performance, payout yields and payments as well as any predictions, projections, or forecasts are not necessarily indicative of the future or likely performance, payout yields and payments of a fund. Any extraordinary performance may be due to exceptional circumstances which may not be sustainable. Dividend distributions, which may be either out of income and/or capital, are not guaranteed and subject to LGI's discretion. Any such dividend distributions will reduce the available capital for reinvestment and may result in an immediate decrease in the net asset value of the fund. Any references to specific securities are for illustration purposes and are not to be considered as recommendations to buy or sell the securities. It should not be assumed that investment in such specific securities will be profitable. There can be no assurance that any of the allocations or holdings presented will remain in the fund at the time this information is presented. Any information (which includes opinions, estimates, graphs, charts, formulae or devices) is subject to change or correction at any time without notice and is not to be relied on as advice. You are advised to conduct your own independent assessment and investigation of the relevance, accuracy, adequacy and reliability of any information or contained herein and seek professional advice on them. No warranty is given and no liability is accepted for any loss arising directly or indirectly as a result of you acting on such information. The fund may, where permitted by the prospectus, invest in financial derivative instruments for hedging purposes or for the purpose of efficient portfolio management. **The Fund's net asset value may have higher volatility as a result of its narrower investment focus on a limited geographical market, when compared to funds investing in global or wider regional markets.** LGI, its related companies, their directors and/or employees may hold units of a fund and be engaged in purchasing or selling units of a fund for themselves or their clients.
