Investment Strategy	
<ul style="list-style-type: none"> • The Fund will invest primarily in debt securities denominated in US Dollars, Japanese Yen, Pound Sterling, Euro and a variety of other currencies and that are traded or listed on any of the Regulated Markets located in Developed Countries and Emerging Market Countries. • The Fund may invest in, inter alia, the following types of securities listed or traded on Regulated Markets: debt securities issued or guaranteed by national governments of Developed Countries and Emerging Market Countries (including inflation-protected securities), debt securities of supranational organisations, corporate debt securities of issuers located in or whose securities are listed or traded on Regulated Markets in Developed Countries and Emerging Market Countries, Emerging Market debt securities, credit-linked notes, mortgage-backed and asset-backed securities. • The credit-linked notes in which the Fund invests may contain embedded derivatives and/or leverage, and the Fund may be leveraged as a result, subject to the Fund's overall leverage limits. • The securities comprising the investment universe of the Fund are evaluated using a proprietary system and MSCI's ESG framework. The Fund seeks to invest in securities of issuers that in aggregate achieve a weighted average portfolio carbon intensity which is at least 20% lower than the Carbon Reduction Benchmark. • The Fund promotes environmental characteristics and is classified as an Article 8 fund pursuant to the Sustainable Finance Disclosure Regulation ((EU) 2019/2088). The investments underlying the Fund do not take into account the EU criteria for environmentally sustainable economic activities, however, in line with its ESG methodology, the Fund may hold investments that contribute to climate change mitigation and climate change adaptation. • The Fund is actively managed, and the Investment Manager is not constrained by the Benchmark. The Investment Manager has discretion in selecting investments within the Fund's objective and investment policies. The Benchmark is used for performance comparison purposes only. • The Fund may invest in certain types of derivatives for efficient portfolio management purposes and/or investment purposes. The Fund may be leveraged up to 100% of its net asset value as a result of its use of derivatives. The Fund will not take direct short positions on individual securities. • The Fund may have exposure to Reverse Repurchase Agreements for efficient portfolio management purposes. The Fund's maximum notional exposure to total return swaps and SFTs is 100% of its net asset value (expected exposure in the range of 0% to 20% of its net asset value). • More than 40% of the Fund's net asset value will be held in debt securities rated Investment Grade at the time of purchase or, if not rated, of comparable quality. The Fund will also invest in high yielding debt securities (which shall include securities rated BB or lower by S&P or the equivalent by another NRSRO and as low as D by S&P or the equivalent by another NRSRO or in non-rated securities of comparable quality). 	<p>Refer to the "Investment Objectives and Policies and Product Suitability" section in Paragraph 5.1 of the Prospectus for further information on the investment strategy of the product.</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Fund is constituted under the Irish-domiciled Franklin Templeton Global Funds Plc. • The Manager of the Fund is Franklin Templeton International Services S.à r.l., the Investment Manager of the Fund is Western Asset Management Company Limited, the Sub-Investment Managers of the Fund are Western Asset Management Company, LLC and Western Asset Management Company Pte. Ltd. and the Depositary is The Bank of New York Mellon SA/NV, Dublin Branch. 	<p>Refer to the "The Company", "Management" and "The Depositary" sections in Paragraphs 1, 3 and 4.4 of the Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the product and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and</p>	<p>Refer to the "Risk Factors" section in Paragraph 8 of the Prospectus for further information on risks of the</p>

your principal may be at risk:	product.						
Market and Credit Risks							
<ul style="list-style-type: none"> • You are exposed to market risks in Developed Countries and Emerging Market Countries – The value of your investments may go up or down due to changing economic conditions or developments regarding individual issuers of debt securities that the Fund invests in. • You are exposed to emerging markets risks – Investments in emerging market countries poses certain risks for example risks arising from economic and political factors, limited liquidity, higher price volatility, less developed disclosure, reporting and regulatory standards and custodial and/or settlement systems. • You are exposed to currency risks – An investment in the shares of the Fund (including hedged share classes) may entail exchange rate risks. If you invest in a share class that is not denominated in SGD and your reference currency is SGD, you may be exposed to additional exchange rate risks. 							
Liquidity Risks							
<ul style="list-style-type: none"> • The Fund is not listed in Singapore and you can redeem your shares only on Dealing Days – There is no secondary market in Singapore for the Fund. All redemption requests may only be made in the manner described in the Prospectus. • Your redemption request may be deferred to subsequent Dealing Days if total redemption requests on a Dealing Day exceed 10% of the Fund’s shares in issue. • You will not be able to redeem your shares during any period where redemption is suspended. 							
Product-Specific Risks							
<ul style="list-style-type: none"> • You are exposed to risks of debt securities as this is a fixed income fund – The value of debt securities is likely to decline in times of rising interest rates and vice versa. Other risks include liquidity risk, credit risk, risk of government securities, risk of high yield securities and risk of rated and unrated securities. • You may be exposed to risks of investments in mortgage-backed securities (“MBS”) and asset-backed securities (“ABS”) – Prepayments on the MBS or ABS held by the Fund may result in a loss to the Fund in certain circumstances. You should also note that a negative effect of interest rate increase on the market value of a MBS is usually more pronounced than it is for other types of fixed-income securities. • You are exposed to custody and settlement risks. • You are exposed to derivatives risks – Derivatives in general involve special risks and costs and may result in losses to the Fund. A liquid secondary market may not always exist for the Fund’s derivatives positions at any time. In addition, over-the-counter instruments also expose the Fund to risk that a counterparty will not meet its obligations to the Fund which may cause the Fund to suffer a loss. • You are exposed to sustainability risk - Integration of sustainability risks in the investment decision process may have the effect of excluding profitable investments from the investment universe of the Fund and may also cause the Fund to sell investments that will continue to perform well. • You are exposed to risks of convertible securities - The market value of convertible securities tends to vary when interest rates increase or decrease, and also varies with the fluctuations in the market value of underlying common stocks. There can be no assurance of capital appreciation through the conversion feature as securities prices fluctuate. 							
FEES AND CHARGES							
<p>WHAT ARE THE FEES AND CHARGES OF THIS INVESTMENT? <u>Payable directly by you</u></p> <ul style="list-style-type: none"> • You will need to pay the following fees and charges as a percentage of your gross investment sum: <table border="1" data-bbox="229 1879 1086 1977"> <tr> <td>Sales Charge</td> <td>Up to 5%</td> </tr> <tr> <td>Redemption Charge</td> <td>Currently NIL</td> </tr> <tr> <td>Switching Fee</td> <td>Currently NIL</td> </tr> </table> <p>Additional fees may be payable to a Dealer depending on the specific nature of services provided by that Dealer.</p>	Sales Charge	Up to 5%	Redemption Charge	Currently NIL	Switching Fee	Currently NIL	<p>Refer to the “Fees, Charges and Expenses” section in Paragraph 7 of the Prospectus for further information on fees and charges.</p>
