KEY PRODUCT FEATURES			
WHAT ARE YOU INVESTING IN?			
<ul style="list-style-type: none"> • You are investing in a sub-fund constituted in Luxembourg. The sub-fund that aims to provide you with returns through medium term capital growth by investing primarily in Emerging equities. • If you hold distribution shares, you may receive monthly or yearly distributions in accordance with the particular distribution share class. This is at the discretion of the directors and subject to the approval of the shareholders. However, no distribution will be carried out if, it is not in your interest nor in that of other shareholders to distribute a dividend at that particular market condition. You should note that where distributions calculated on the basis of the benchmark dividend yield exceed the sub-fund's income, such distributions will be made up of a capital component and will cause a decrease in the net asset value of the sub-fund. • Capitalisation shares will retain their income to reinvest. 			Please refer to the Luxembourg Prospectus, Book I – General Provisions for further information on the SICAV and "The Shares" for details on the product share classes.
Investment Strategy			
At all times, this sub-fund invests at least 75% of its assets in equities and/or equity equivalent securities issued by companies that have their registered offices or conduct the majority of their business activities in emerging countries (defined as non OECD countries prior to 1 January 1994 together with Turkey and Greece). The remaining portion, namely a maximum of 25% of its assets, may be invested in any other transferable securities (including P-Notes), money market instruments, provided that investments in debt securities of any kind do not			Please refer to the Luxembourg Prospectus, Book II of the Sub-fund for further information on the

Market Risks								
<ul style="list-style-type: none">You are exposed to market risk<ul style="list-style-type: none">Your investment may go up or down due to changing economic, political or market conditions that impact the prices of the shares or other securities that the sub-fund invests in.								
Product-Specific Risks								
<ul style="list-style-type: none">You are exposed to extra-financial criteria investment risk<ul style="list-style-type: none">An extra-financial approach may be implemented in a different way by management companies when setting investment management objectives for financial products, in particular in view of the absence of common or harmonized labels at European Level. This also means that it may be difficult to compare strategies integrating extra-financial criteria to the extent that the selection and weightings applied to select investments may be based on metrics that may share the same name but have different underlying meanings. In evaluating a security based on the extra-financial criteria, the Investment Manager may also use data sources provided by external extra-financial research providers. Given the evolving nature of the extra-financial field, these data sources may for the time being be incomplete, inaccurate, unavailable or updated. Applying responsible business conduct standards as well as extra-financial criteria in the investment process may lead to the exclusion of securities of certain issuers. Consequently, the sub-fund's financial performance may at times be better or worse than the performance of relatable funds that do not apply such standards. In addition, the proprietary methodologies used to take into account ESG non-financial criteria may be subject to reviews in the event of regulatory developments or updates that may lead, in accordance with the applicable regulations, to the increase or decrease of the classification of products, of the indicators used or of the minimum investment commitment levels set.You are exposed to emerging markets risk, equity risk, operational risk and custody risk, risks related to investments in some countries and specific risks related to investments in Mainland China, including changes in PRC taxation risk and risks related to Stock Connect.		Please refer to the Luxembourg Prospectus, Book I – Appendix 3 and Book II of the Sub-fund for further information on the specific risks of the product.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

- The Net Asset Value per share will usually be calculated every Valuation Day.
- You may obtain the Net Asset Value per share from the Company’s registered office, from local agents and in any newspaper designated by the Board of Directors and the website of our Singapore representative <http://www.bnpparibas-am.com/en-sg> and as well on www.bnpparibas-am.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You should note that there is no cancellation period for your investment.
- You can exit the sub-fund on any Valuation Day which is also a Singapore Business Day by completing and submitting the relevant redemption form which is available from the approved distributor through whom you have purchased shares, or any other sales channel, if applicable.
- Payment will normally take place within seven (7) Singapore business days from the relevant Valuation Day.
- Your exit price is determined as follows:
 - Your application for redemption of Shares must be received by the Singapore Representative or its appointed local agents or distributors or directly by the Transfer and Registrar Agent before 4.00 p.m. (Luxembourg time) on the Valuation Day. Instructions received after that time will be processed on the following Valuation Day. Approved distributors in Singapore may impose different Singapore dealing deadlines of their own that are earlier than the Luxembourg dealing deadlines. You should confirm the applicable Singapore dealing deadline with the relevant approved distributor.
 - The sale proceeds that you will receive will be the exit price multiplied by the number of shares sold, less any charges. An example (assuming an exit charge of 5%) is as follows:

No. of shares to be redeemed	Redemption price	Gross Redemption proceeds	Redemption Charge	Net Redemption proceeds
1,000	x US\$100	= US\$100,000	- US\$5,000	US\$95,000
