# abrdn Singapore Equity Fund

#### 30 April 2024

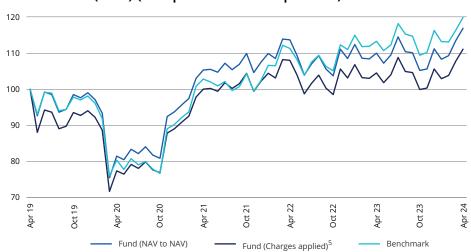

#### Objective

The abrdn Singapore Equity Fund (the "Fund") aims to generate capital growth over the medium to long term by investing in Singapore equities (company shares).

The Fund aims to outperform the Straits Times Index before charges.

Please refer to the prospectus for further information about the investment objective and other considerations.

Important information

Important information
The information in this document should not be considered an offer, or solicitation, to deal in any funds in the abrdn Select Portfolio. The information is provided on a general basis for information purposes only, and is not to be relied on as investment, legal, tax or other advice as it does not take into account the investment objectives, financial situation or particular needs of any specific investor.

The CPF interest rate for the Ordinary Account ('OA') is based on the legislated minimum interest of 2.5% per annum, or the 3-month average of major local banks' interest rates, whichever is higher. In addition, the CPF Board pays an extra interest rate of 1% per annum on the first \$60,000 of a CPF member's combined balances (capped at \$20,000 in the OA). CPF members aged 55 and above will also earn an additional 1% extra interest on the first \$30,000 of their combined balances (capped at \$20,000 for OA). This is paid over and above the current extra 1% interest that is earned on the first \$60,000 of their combined balance. The first \$20,000 in the OA will not be allowed to be invested under the CPF Investment Scheme. CPF Investment Scheme.

Investments in the fund(s) are not deposits in, obligations of, or guaranteed or insured by abrdn Asia Limited ('abrdn Asia'), and are subject to investment risks, including the possible loss of the principal amount invested. Unit values and income therefrom may fall or rise. Past performance is not necessarily indicative of future performance.
