KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in an open-ended collective investment scheme constituted in Luxembourg as UCITS and aims to maximise total investment return consisting of income and capital appreciation.
- Under normal circumstances, you will receive regular distributions out of income depending on the distribution share classes you are investing in. Any distributions may also be made out of the capital, net realised and net unrealised capital gains as well as income gross of expenses of the Fund, which will reduce the NAV of the Fund.

Refer to “Investment Objective, Focus and Approach of the Funds” section of the Singapore Prospectus, and the “Dividend Policy” section of the Luxembourg Prospectus.

Investment Strategy

- The Fund will invest in real estate investment trusts (REITs) and equity securities of companies of any size located in any country including emerging markets and whose principal business is financing, dealing, holding, developing and managing real estate located around the world including emerging markets.
- The Fund may invest in derivatives for the purposes of currency hedging and efficient portfolio management.

Refer to “Investment Objective, Focus and Approach of the Funds” section of the Singapore Prospectus.

<ul style="list-style-type: none"> The expected level of exposure to securities lending transactions amounts to 5% of the Fund's net assets, subject to a maximum of 50%. 	
Parties Involved	
WHO ARE YOU INVESTING WITH? <ul style="list-style-type: none"> The investment company is Franklin Templeton Investment Funds. The investment managers are Franklin Templeton Institutional, LLC and Franklin Advisers, Inc. (as Co-Investment Managers). The management company is Franklin Templeton International Services S.à r.l. The depositary is J.P. Morgan SE – Luxembourg Branch. The Singapore representative is Templeton Asset Management Ltd. 	Refer to "Management and Administration" section of the Singapore Prospectus for more information on the role and responsibilities of these entities and what happens if they become insolvent.
KEY RISKS	
WHAT ARE THE KEY RISKS OF THIS INVESTMENT? The value of the product and its dividends or coupons may rise or fall. These risk factors may cause you to lose some or all of your investment.	Refer to the "Risk Factors" section of the Singapore Prospectus and "Risk Considerations" section of the Luxembourg Prospectus.
Market and Credit Risks	
<ul style="list-style-type: none"> Your investments are subject to global equity market risks – Your investments in equity and equity-related securities (including equity-linked notes) may be subject to significant price movements due to the impact of economic, political, market, and issuer-specific factors globally. Your investments are subject to currency movements risks – Since the securities held by the Fund may be denominated in currencies different from its base currency, your investments may be affected favourably or unfavourably by exchange control regulations or changes in exchange rates. 	
Liquidity Risks	
<ul style="list-style-type: none"> Your investments are exposed to liquidity risks of the underlying investments – Under exceptional market conditions the manager may be forced to sell assets of the fund at a discount in order to meet continued redemption requests. The Fund is not listed, and you can realize your Shares only on Dealing Days – There is no secondary market for the Fund. All redemption requests should be submitted in the manner set out in the Prospectus. Your realization request may be deferred or suspended – Redemptions of Shares may be deferred when more than 10% of the value of the Fund's Shares are redeemed or exchanged on any one Dealing Day. Your right to realize Shares may also be temporarily suspended under certain circumstances as described in the Prospectus. 	Refer to the sections "Sale of Shares" and "Suspension of Valuation, Issue, Sale and Switching of Shares" of the Singapore Prospectus.
Product-Specific Risks	
<ul style="list-style-type: none"> Single sector funds are subject to concentration risk and greater volatility – The Fund invests primarily in a single sector, and as a result is subject to higher concentration risk and potentially greater volatility compared to funds following a more diversified policy. You are exposed to real estate related securities – The Fund invests in real estate securities or real estate investment trusts (REITs) which may fluctuate in value depending on the rental income received and the underlying property value, which is impacted by local, regional, and national economic conditions, interest rates, and tax considerations.

VALUATIONS AND EXITING FROM THIS INVESTMENT
HOW OFTEN ARE VALUATIONS AVAILABLE?

- Daily valuations are available on Dealing Days.
- The indicative NAV and actual NAV per share of each Fund and Share Class may be obtained from the Singapore representative and will be published on the Singapore representative's website (www.franklintempleton.com.sg) one Singapore Business Day after the relevant Dealing Day.

Refer to the "Purchase of Shares", "Sale of Shares" and "Obtaining Price Information" sections of the Singapore Prospectus.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- To exit the Fund you should complete the relevant sale form, together with such other documents as may be required and submit it to the Singapore representative or through the financial advisor or distributor from whom you purchased the Fund, the Internet or any other sales channels, if applicable. Please ensure that all relevant documents have been submitted.
- Please note that sale of Class C Shares may be subject to exit charges.
- Some appointed distributors may offer a cancellation policy whereby you will not incur the sales charges if you sell during the relevant period (the Fund does not offer such cancellation policy). You will however take the risk of a decline in the Fund's NAV since you purchased it and certain administrative fees may apply.
- Sale proceeds will be paid within three Dealing Days following the Dealing Day of the receipt and acceptance of the sale request. Sale proceeds from investments using SRS monies (if applicable) will be returned to your SRS account.
- Your exit price is determined as follows:
 - If the Singapore representative receives and accepts the sale request on or before 4 p.m. on a Dealing Day, you will be paid a price based on the net asset value of the Shares applicable on that day.
 - If the Singapore representative receives and accepts the sale request after 4 p.m. on a Dealing Day, you will be paid a price based on the net asset value of the Shares at the close of the next Dealing Day.
- The sales proceeds that you will receive will be the exit price multiplied by the number of shares sold, less any charges. The following illustrates the sales proceeds on a sale of 1,000 Class A SGD share class shares at an exit price of S\$12.50 and assuming no Contingent Deferred Sales Charge:

Exit price x Number of shares sold	= Gross Sales Proceeds
S\$12.50 x 1,000	= S\$12,500
Gross Sales Proceeds – Exit Charges	= Net Sales Proceeds
S\$12,500-S\$0.00	= S\$12,500
