**HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?**

- To exit the Fund you should complete the relevant sale form, together with such other documents as may be required and submit it to the Singapore representative or through the financial advisor or distributor from whom you purchased the Fund, the Internet or any other sales channels, if applicable. Please ensure that all relevant documents have been submitted.
- Some appointed distributors may offer a cancellation policy whereby you will not incur the sales charges if you sell during the relevant period (the Fund does not offer such cancellation policy). You will however take the risk of a decline in the Fund's NAV since you purchased it and certain administrative fees may apply.
- Sale proceeds will be paid within three Singapore Business Days following the Dealing Day of the receipt and acceptance of the sale request. Sale proceeds from investments using SRS monies (if applicable) will be returned to your SRS account.
- Your exit price is determined as follows:
  - If the Singapore representative receives and accepts the sale request on or before 4 p.m. on a Dealing Day, you will be paid a price based on the net asset value of the Shares applicable on that day.
  - If the Singapore representative receives and accepts the sale request after 4 p.m. on a Dealing Day, you will be paid a price based on the net asset value of the Shares at the close of the next Dealing Day.
- The sales proceeds that you will receive will be the exit price multiplied by the number of shares sold, less any charges. The following illustrates the sales proceeds on a sale of 1,000 Class A SGD share class shares at an exit price of S\$12.50 and assuming no Contingent Deferred Sales Charge:
 

Exit price x Number of shares sold	= Gross Sales Proceeds
S\$12.50 x 1,000	= S\$12,500
Gross Sales Proceeds – Exit Charges	= Net Sales Proceeds
S\$12,500-S\$0.00	= S\$12,500
