Why invest with dollarDEX?

1. ZERO FEES

We don't charge any fees for your investments because you deserve every dollar made. That means 0% sales charge, switching fees and platform fees. With no fees, this means more money goes into your funds, to maximise your returns. See how much potential returns you will get with a SGD 100,000 investment over a one year period.

Projected investment returns†			
Investment amount	S\$100,000		
	Banks †	dollarDEX	Other online platform ^
Sales charge	1%	0%	0%

2. INTUITIVE ONLINE TOOLS

Investing is made simple with a range of online tools that can help you make informed decisions and invest wisely.

The Complete Tool Box

Fund finder – It's not always easy choosing the right fund, especially from a choice of >1000 and growing. At dollarDEX, we help you search based on your preferences – fund manager, geography, asset class or sector.

Retirement calculator – Our interactive calculator helps you plan for your retirement, showing you how much you need to save to reach your desired income level. You can even add in future income, such as a maturing insurance policy.

Performance & charts – Monitoring and comparing your funds with other funds is easy. You can even create your own personalised performance charts by adding in factors such as timeframe and benchmark.

3. DOLLARDEX INVESTMENT PORTFOLIO & FUNDS

Don't know what funds to buy? Just take a risk questionnaire and we'll generate a dollarDEX Investment Portfolio* based on your risk profile. You can then decide to buy the entire portfolio or any specific funds you prefer. Best of all, you don't need to be a financial whiz to take control of your wealth.

* dollarDEX investment portfolios are administered by Navigator Investment Services Ltd.

4. ALWAYS ON YOUR SIDE

We always believe in sharing the best with you. dollarDEX does not profit by recommending any funds or taking a share of your well-deserved earnings.

“Don't wait. The time will never be just right.”

Note:

¹All projected investment returns are based on a fixed 5% return p.a. for the 3 platforms.

[#]Based on the assumption of an average 1% fee for sales charge and switching fees for investing online with Banks in Singapore.

[^]Based on the assumption there is a platform fee of 0.1% and no sales charge and switching fees imposed.

An assumption of 1 switching transaction was taken into consideration for the above illustration.
